Is there anything specific that can be improved upon?

Completely amazing! You made the wedding a success, and we were asked several times through the evening where we found you! The dance floor was packed the entire time and the song selection kept everyone moving! Also, you really helped keep everything on schedule throughout. Kristi has several younger cousins so when it comes time for them to get married you can expect to be the DJ! Thanks again for everything, you are truly the best of your profession!
