Additional comments or suggestions?

I cannot thank DJ Magic enough for their help planning and organizing above and beyond the call of duty. Throughout the whole process DJ Magic was professional, funny, and helped us (me) de-stress. I really loved that your representative came and met with us to go over all of the details, it helped us put a face to a name and we were organized early in the game so we didn't have to worry about it later. Your DJ's are awesome and terrific to work with...I've already made two referrals!
