Additional comments or suggestions?

Our entertainer was absolutely wonderful. We received Matt's information from our wedding consultant. DJ Magic was everything she said he would be, and then some. We wanted someone who would play great music, but knew when to sit back and let the wedding take on it's own shape. Our entertainer played songs from our playlist along with some great requests from our guests. Thank you DJ Magic for such a wonderful experience, and to those couples needing a professional top notch DJ...Matt Long is the one. He also compiles a CD for you with your special dance songs, and records the speeches and puts them on too so you can listen again to your special day...Wow! Thanks again for everything Matt!
