Additional comments or suggestions?

DJ Magic did a really great job, I have had a lot of family and friends compliment us about your DJ's and the job they did. It was really he was willing to come to our house and get to know us and plan our event with us. The night when so fast and DJ Magic was really good at letting me know what was next (dance, etc.) and what needed to be done. It was nice to know it was taken care of. Thank you
