Additional comments or suggestions?

We could not have imagined anything more incredible for our guests! Mike was amazing. We have family members who have not danced in many, many years because of the changes in trends. Even they were on the dance floor at our reception. He had the most complete variety of music that we have ever witnessed ourselves at events like this. If we ever need a DJ again, we would ask for Mike! We can not even express how impressed we have been as well as all our guests. We couldn't have asked for a better DJ for our party, it was definately rememberable for all the right reasons!
